Code Compliance officially kicked off this month after an order for 250 printable postcards were ordered. In total to date, 22 postcards and 2 letters have been mailed in regards to trees that needed branches trimmed up to unkempt side yards and abandoned vehicles. So far the feedback from those who've received notices and have called or stopped into the office have been giving a very positive, welcoming response.

Subject: SMART

First, a big THANK YOU to all the agency's that sent units to last Friday's Level 13 call-up in Waukesha. The response was great, your staff members where patient and professional. Well done. 62 of the 65 agencies were able to respond. I have set Wednesday, October 21 for the fall SMART meeting. The Executive Board to meet at 0900hrs and the general membership to meet at 1000hrs. I will send an agenda out in a week or so, just verifying the location right now. I wanted to get the date out asap. I did take into account the IACP conference when setting the date.
