

Step 1: Performing a Tax Parcel Search

Access Walworth County's Ascent Land Records Suite:

<https://www.co.walworth.wi.us/> - Click Property Taxes

When performing a search, less is more. We recommend using one search filter and selecting the Village of East Troy under "Municipality". Using a Parcel ID, Street Number or Last Name is the easiest way to find your parcel.

NOTE: Searching by municipality and a valid parcel number within that municipality will always produce a single result.

The screenshot shows the search interface for Walworth County's Ascent Land Records Suite. At the top left is the logo for Walworth County Ascent Land Records Suite. To the right, there are navigation options: User (Public), Choose Product (Land Records Suite), Choose Category (Real Estate Property), and What do you want to do? (Search properties). A Help icon is also present. Below this is a "Clear Search" button. The main search area contains several input fields: Municipality (set to <All Municipalities>), Parcel ID, Street Number, Street Name, and Mailing Address. There are also dropdown menus for USPLS (Town/Ran, Sect, Location) and a Sort By dropdown (set to Parcel Id). An "Inactive" checkbox is checked. A "Find Now" button is at the bottom right. Below the search area is a link to "Subscribe for Text and Email Notifications regarding tax parcels. Click here to get started now!". At the bottom right, there is a "Log in" link and the Ascent logo with the copyright notice "© 2019 Transcendent Technologies". On the bottom left, there are links for "View Disclaimer" and "Database Versions".

Click on the parcel number (**red link**) to open the desired parcel.
